Margaret Heath-Schoep

Paratransit and Special Projects Manager

25 Years Service Award

We are proud to celebrate Margaret for her exceptional dedication and commitment as she marks 25 years of service with GCTD. In her time here, she assisted with the organization's growth and adaptation through numerous industry and policy initiatives - yet always maintained her unwavering dedication to our customers, particularly those utilizing our ADA and Paratransit services, one of the most vulnerable populations of our community.

Her contributions have been instrumental in shaping GCTD's growth and success, including developing and growing our Paratransit Services into Flexible Services. Over the last two decades, she has secured millions of state and federal funds to maintain and expand services to the community.

Margaret's biggest source of pride are her three children, all of whom completed college and live, work, and play in the greater Omaha, NE area.

*We extend our appreciation for her invaluable service.
Congratulations!*

Thank you, Margaret, for your service.
